

**(1) Function.** The Research and Scholarship Committee (RSC) is primarily responsible for the evaluation of professional leave and summer grant proposals as well as the selection of international exchange faculty.

**(2) Membership.** The Research and Scholarship Committee has eleven faculty members, including two faculty from each college. The Vice Provost for Academic Affairs is the convener of the Research and Scholarship Committee and is a non-voting member. Faculty members serve (1) two year term and are not allowed to serve a second term without sitting out one academic year. Members are not allowed to submit grant proposals while serving on the Research and Scholarship Committee.
