\* Students must register for a total of 16 credits of Fieldwork II (OCTH 695S) over two semesters (summer and fall of their last year). This estimate assumes 8 credits per semester. If students choose a different option they should consult with Student Financial Services and Financial Aid to determine a new estimated cost for their Fieldwork II courses.

\*\*Fieldwork students placed outside a 50 mile radius of Cheney campus can request a waiver of a portion of the mandatory fees by contacting Student Financial Services.

**Assumptions**

These are estimated costs for information purposes only and do not represent a contract or commitment on the part of the University or Eastern's Department of Occupational Therapy.  
 Students that are taking regular courses on the Cheney or Riverpoint campuses are eligible to take on-line learning courses at the same rate as regular courses. There will be a \$52.50/credit for semester students.  
 The Summer 2022 session is taught on an accelerated schedule and runs from 6/22/22 to 8/5/22.  
 Summer 2022 is part of the 2021-22 financial aid award year and requires a 2021-2022 FAFSA for financial aid consideration.  
 Fall 2022 and Spring 2023 are part of the 2022-23 financial aid award year and require a 2022-2023 FAFSA for financial aid consideration.
