Essay Question (120 word limit for each question)

EWU Student ID: _____

Question #1:

EWU College of Health Science and Public Health is focused on meeting the leadership demands in the health sciences. Describe an example of a situation where you have significantly motivated others, taken on a leadership role, or contributed to a group's goals over time. What was your role? What responsibilities did you assume? Did you achieve your intended goal(s)? If not, why?

Essay Question (120 word limit for each question)

EWU Student ID: _____

Question #2:

Describe a challenging situation you have faced. Did you turn to anyone for help? If so, did this person provide advice, assistance or encouragement? In hindsight, would you do anything differently?

Essay Question (120 word limit for each question)

EWU Student ID: _____

Question #3:

Describe an interest of yours where you are part of a larger community or group. How long have you been involved? How have you contributed to this group? What have you learned from your participation, has it accelerated your interest in this area, if so how?

Essay Question (120 word limit for each question)

EWU Student ID: _____

Question #4:

Briefly describe a situation where you were involved, or were witness to, an act of discrimination; you or someone else was not being treated fairly. What did you do at the time and/or why? Would you do anything differently if that same situation occurred today? Has this event impacted or changed who you are now and if so how?
