

Part-time In-person MSW Program 2021 – 2024 Cohort Schedule

***subject to change as the academic calendar is updated**

The Eastern Washington part-time Master of Social Work Program is an EWU part-time program located in Spokane Washington at the Spokane Catalyst building.

<https://www.ewu.edu/catalyst/students/>

The format is tailored to students who would otherwise be unable to attend courses due to living in a rural area, working full time, having a family, or any other life events that limit a students’ ability to attend a full time, on campus program.

Students in the program will take between 6 and 9 credits per quarter to complete the program in three years as a part of the regular cohort, or 6 quarters in the Advanced Standing cohort with a 6-credit summer seminar that reviews foundation material.

Required courses have equal online and face to face components. There are three in-person weekends each quarter. These classes generally fall on the 1st, 5th, and 10th weekend of each quarter, including summers. Electives are offered fully online, in person, or in hybrid format.

Course content is delivered via the Canvas platform. For information about Technology Requirements go to: <https://canvas.ewu.edu/courses/1212635>
