

Spokane Part-Time MSW Program | 2023 – 2026 Cohort Schedule REVISED July 7.2023

(Course schedule and weekend dates are subject to change)

PLEASE NOTE: For 2023 summer and fall quarters and the 2024 winter quarter, the Spokane Part-time (PT) MSW Program will hold the in-person weekend classes on the EWU main campus in Cheney. A final decision on the location of the in-person classes will be determined late Fall 2023 with student and faculty input.

The EWU Spokane PT Master of Social Work Program is tailored to individuals who would otherwise be unable to attend courses on a full-time basis. Students will take between four to nine credits per quarter to complete the program in three years.

Required core courses use a hybrid format with in-person classes held on three weekends each quarter, and online modules the remaining weeks of the quarter. The in-person classes generally fall on the 1st, 5th, and 10th weekends of each quarter, except the 8 week summer sessions using 1st, 4th, and 7th or 8th. Elective courses are offered fully online, in person, or in a hybrid format.

Course content is delivered via the Canvas platform. For information about technology requirements, go to: <https://canvas.ewu.edu/courses/1212635>.
