

Part-time Hybrid Advanced Standing MSW Program 2019 -2022 Cohort Schedule

The Master of Social Work Hybrid Program is a part-time program located at Eastern Washington University's Riverpoint campus in Spokane, WA.

The hybrid format is tailored to students who would otherwise be unable to attend courses due to living in a rural area, working full time, having a family, or any other life events that limit a students' ability to attend a full time, on campus program.

Students in the Hybrid program will take between 6 and 9 credits per quarter to complete the program in 16 months in the Advanced Standing cohort with a 2-week seminar orientation in summer 2018.

Approximately half of the required course content is online with three weekends at the Spokane Riverpoint campus for in-person instruction. These weekends generally fall on the 1st, 5th, and 10th weekends of each quarter, including summers. Electives are offered fully online, hybrid format, and in-person.

Hybrid and Online course instruction will be delivered via the Canvas platform. For information about Technology Requirements go to: <http://outreach.ewu.edu/online/technology-guidelines.html>
