

CHENEY IN KNOTS: A Visit with Cartoonist Colleen Frakes

Anyone Can Make Comics

For tweens & teens in grades 5–12

Comics are an accessible medium where any story can be told with just paper and ink—the only limits are your imagination.

Award-winning Cartoonist Colleen Frakes thinks that everyone can, and should make comics. You don't need to know how to draw (you don't even need to be able to see).

Colleen talks about how to make comics and share your story! There will be time for questions.
