

School District Professional Development Offerings

Para Educator Training

Introducing our Paraeducator Fundamental Course of Study (FCS) program: complete your 28-hour PD requirement, including 7 in-person hours, through our tailored Continuing Education offering. Learn more on the PESB site and view the FCS course outline.

Hybrid Offering

Para Educator Webinar

This 1-hour webinar will dive into the world of Para Educators. Discover key learning concepts centered around technology use and safe and positive relationships.

Online Offering

SEL Para Educator Collaborative

Join the EWU SEL Collaborative for a two-day deep dive into WA state SEL standards, tailored for paraeducators. Sessions will focus on practical strategies to empower paras and foster resilience in students.

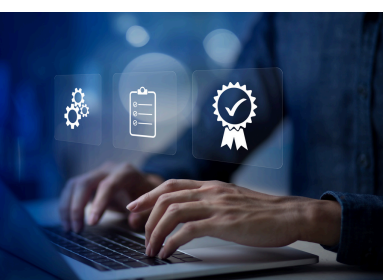

Hybrid Offering

SEL for Educators - Book Study

Join EWU Faculty for an SEL-focused book study of *Onward: Cultivating Emotional Resilience for Educators* by Elena Aguilar, designed to empower and support educators in building emotional resilience.

Variable Offering
10 month study
1 meeting/month

SEL for Education Equity Certificate

The SEL-EE Certificate offers year-long SEL workshops and foundational courses on educational inequity, stress science, and MTSS concepts. It's designed for professionals supporting children and youth in fields like education, counseling, and various therapies.

Online Offering
Academic Calendar

Culturally Responsive Practice

Enhance your understanding of culturally responsive practices with a focus on cultural competency, family contexts, and generational shifts. This course will explore building strong parent relationships and leveraging resources within homes to support student success.

TBD Offering

HS Students: College and Beyond

This course empowers high school students with skills in self-awareness, collaboration, and social-emotional growth, preparing them for college and service-oriented careers. Intended as college preparation.

**In-Person Offering
EWU Campus**

Parent Engagement Night

Join us (EWU & District) in supporting your child's social and emotional growth for lifelong success through active parent engagement in K-12 education. Discover ways to collaborate with the District to empower your child's development.

**Hybrid Offering
School Site**

Mentor Teacher Training

Enhance your mentoring skills in education and beyond with this course, designed to elevate the mentor-mentee relationship. Through targeted modules, explore the mutual benefits of mentorship for both mentors and those they guide.

**Online Offering
Asynchronous**

Teacher to Administrator Pipeline

Discover the Teacher to Administrator Pipeline offering, designed to equip educators with the skills and insights necessary for leadership roles in schools. This specialized offering will teach you the critical strategies needed to successfully transition from teaching to educational leadership.

Problem of Practice

This course is designed for educators to tackle real-world problems of practice in the classroom. Participants will gain practical strategies and collaborative approaches to enhance teaching effectiveness and improve student outcomes.

TBD Offering

Universal Design in Learning

This training equips educators with the principles of Universal Design for Learning (UDL) to create inclusive and accessible learning environments. Participants will learn to implement UDL strategies that support diverse learners and promote engagement for all students.

TBD Offering

Project-based Learning

Focus on the principles and practices of Project-Based Learning (PBL) to enhance student engagement and learning outcomes. Participants will gain hands-on experience in designing and implementing PBL strategies that foster critical thinking and collaboration in the classroom.

TBD Offering

Artificial Intelligence in the Classroom

Explore the integration of artificial intelligence (AI) in the classroom to enhance teaching and learning. Participants will discover innovative AI tools and strategies that can support personalized learning and improve student engagement.

Variable Offering

Behavioral Support: PBIS

Learn about Positive Behavioral Interventions and Supports (PBIS), an evidence-based framework that helps schools foster a positive and safe learning environment for all students. By utilizing a tiered approach, PBIS supports students' behavioral, social, emotional, academic, and mental health across various settings, including hallways, recess, and classrooms.

DEI: Bias & Anti Racist

Join us for impactful training workshops on Diversity, Equity, and Inclusion, where educators will learn to better support diverse students while addressing biases and microaggressions in the classroom. These sessions will equip teachers with essential tools to create inclusive learning environments for all students.

TBD Offering

Tier 1 Instructional Practices (MTSS)

Discover how Tier 1 support serves as the essential foundation for meeting the needs of students through universal instruction and resources. Our research-based, culturally responsive, and differentiated approach ensures that every student has equitable access to high-quality education aligned with grade-level standards.

TBD Offering

Special Education Law

Enhance your understanding of special education with our Special Education Law course, designed for educators and administrators. This training provides critical insights into legal requirements and best practices to ensure compliance and support for students with diverse needs.

TBD Offering

Mathematical Learning Differences

Focus on understanding and addressing mathematical learning differences to support all students effectively. Educators will gain practical strategies and tools to differentiate instruction and promote success in mathematics for diverse learners.

TBD Offering

Bilingual Learning

Equip teachers with the strategies to support multilingual students in the classroom. Participants will explore effective instructional practices that enhance language development and academic success for bilingual learners.

Change Management

Change management for educators equips participants with the skills to navigate and implement change effectively within their schools. Educators will learn strategies to foster resilience, build support, and create a positive culture during transitions in the educational landscape.

TBD Offering

Trauma Informed: Medical

Enhance your understanding of medical traumatic stress with our Trauma-Informed course. This training will equip you with the knowledge and tools to support children and families navigating the challenges of medical trauma, fostering healing and resilience.

TBD Offering

Lunch & Learn: Mental Health

A comprehensive overview of the most common mental health diagnoses in children and adolescents (birth to 18). Designed to help you understand the reasons behind student behaviors, fostering supportive interactions and providing valuable resources for youth and their families.

Variable Offering

Suicide Assessment & Referral

Learn about suicide assessment and referral, focusing on language, stigma, and basic screening techniques. For those seeking deeper training, we offer a comprehensive four-hour session and an eight-hour course that meets WAC requirements, covering essential concepts, statistics, and practical activities to enhance your skills in screening and referral.

Hybrid Offering
Variable Options

Diverse Populations: Grief, Loss & Illness

Training on supporting diverse populations, focusing on children with chronic illnesses and those experiencing grief and loss. These workshops will provide caregivers and educators with valuable strategies to foster resilience and understanding in young learners facing unique challenges.

Youth-Led Research & Leadership

Empowering students to drive change. Equip educators and administrators with the tools to engage students as co-researchers and leaders, using YPAR and photovoice to inform school policies, foster student leadership, and address systemic inequities.

TBD Offering

Building Inclusive School Communities

Creating radical sanctuaries through culturally relevant pedagogy, strategies for building rapport and relationship with students, incorporating ethnic studies into curricula, and addressing implicit biases among staff. Learn how to train educators to create safe and inclusive spaces for marginalized students.

TBD Offering

Alternative Education Models

Provide a blueprint for designing and sustaining successful alternative education campuses (AECs) through best practices for engaging high-risk students, data driven approaches to measure success and bridging gaps between AECs and traditional schools.

TBD Offering

Reimagining School Discipline

From punitive to restorative practices, help districts transition from exclusionary discipline practices to restorative frameworks. Train how to use restorative practices, training and implementation for staff, measure the impact of school culture and student outcomes, and about problems with traditional discipline systems.

TBD Offering

Bridging the Opportunity Gap

Equity leadership in education. Develop leadership skills for addressing systemic inequities in education through equity audits and data analysis, advocacy and policy change at the district and state levels, and building partnerships with community organizations.

TBD Offering

Adaptive PE Strategies

Adaptive Physical Education focuses on equipping educators with the knowledge of laws and practical skills to ensure the inclusion of students with physical, mental, or social disabilities in a least restrictive environment. It emphasizes creating equitable opportunities for all students to participate meaningfully in physical education.
