

President's Regional Advisory Council

The EWU President's Regional Advisory Council is a group of senior-level business, educational, and community leaders who advise and assist Eastern Washington University's president on issues of significance to the university and the communities it serves.

The purpose of the President's Regional Advisory Council is to:

- Understand and promote the mission and vision of the university and its needs;
- Identify issues important to the future of the university;
- Provide guidance, counsel and recommendations to the president regarding the university's activities, community engagement, and long-term strategies;
- Serve as a sounding board for new initiatives and external activities; and
- Serve as ambassadors in the community for the university and its mission.
