

EWU COVID ACCOUNTABILITY MEASURES

CONFIDENTIALITY OF CONTACT TRACING INFORMATION & AMNESTY

EWU's primary concern is the health and safety of our university community. We encourage all university community members to report when they are experiencing symptoms related to COVID-19, are being tested, or have been quarantined/isolated by a health district to the university at www.ewu.edu/reportcovid. This information is used by EWU's COVID-19 Response Team to conduct contact tracing, provide notifications to the community, and direct sanitizing efforts. EWU's Health, Wellness & Prevention Services (HWPS) will be conducting contact tracing for EWU students. Information provided via the report COVID website or gathered by HWPS will be used for health and safety purposes.
