

Shari G. McMahan, Provost and Vice President of Academic Affairs

Biography

Shari G. McMahan, a first-generation college student herself, is the provost and vice president for academic affairs at California State University, San Bernardino. McMahan, who began her tenure on Sept. 1, 2016, is the first woman provost in the university's history.

Prior to joining CSUSB, McMahan served 16 years at California State University, Fullerton, most recently as deputy provost since 2014. In this role, she managed a wide and impressive portfolio, including enrollment services, academic operations and finance, institutional research and analytical studies, research, creative activities and technology transfer, university library, faculty affairs and records, the Faculty Development Center, online education and training, satellite campus operations and initiatives, and the Center for Excellence in Supplemental Instruction.

Prior to her role as deputy provost, McMahan was dean of the College of Health and Human Development where she managed the departments of Child and Adolescent Studies, Counseling, Health Science, Human Services, Kinesiology and Social Work, as well as the college's School of Nursing and its Military Science Program. In addition, she oversaw the development of the university's doctor of nursing program and the centers for Sports Performance, Autism, and Boys and Men.

McMahan joined CSUF in 2000 as an associate professor in the Department of Health Science. Through the years, she has served in a myriad of leadership roles, including interim associate vice president for research, creative activities and technology transfer, director of graduate studies, and associate vice president for faculty affairs and development. She was also a professor and founding chair of the department of health science.

She has been awarded more than \$5 million in external funding, authored more than 50 peer-reviewed publications, given dozens of scientific and community presentations, and served on numerous professional task forces.

McMahan has a bachelor's degree and Ph.D. in social ecology from UC Irvine, and a master's degree in health science from Cal State Northridge.

SHARI G. McMAHAN

Provost and Vice President for Academic Affairs
California State University San Bernardino

EDUCATION

- 1992 Ph.D., University of California, Irvine; Irvine, California
Degree – Social Ecology, Major Area – Environmental Health
Dissertation Topic: *Health Effects from Exposure to Electromagnetic Fields*
Pre-Dissertation Research: *Communication of Scientific Risk Information*
- 1987 M.S., California State University, Northridge; Northridge, California
Degree – Health Science, Major Area – Environmental and Occupational Health
- 1984 B.A., University of California Irvine; Irvine, California
Major Area – Social Ecology

EXPERIENCE OVERVIEW

- 2016-present Provost and Vice President for Academic Affairs, California State University San Bernardino, San Bernardino, California
- 2014-2016 Deputy Provost and Associate Vice President for Academic Affairs, California State University Fullerton; Fullerton, California
- 2013-2015 Interim Associate Vice President for Research, Creative Activities and Technology Transfer, California State University Fullerton; Fullerton, California
- 2011-2014 Dean, College of Health and Human Development, California State University Fullerton; Fullerton, California
- 2010 Acting Dean, College of Health and Human Development, California State University, Fullerton; Fullerton, California
- 2005-2010 Professor and Chair, Department of Health Science, California State University Fullerton; Fullerton, California
- 2004-2005 Professor, Division of Kinesiology and Health Science, California State University Fullerton; Fullerton, California
- 2000-2004 Associate Professor, Department of Health Science, Division of Kinesiology and Health Promotion, California State University Fullerton; Fullerton, California
- 1999-2000 Assistant Professor, Department of Exercise Science and Physical Education, Arizona State University; Tempe, Arizona
- 1994-1999 Assistant Adjunct Professor, School of Social Ecology, University of California Irvine; Irvine, California
- 1990-1999 Research Staff Associate, University of California Irvine Health Promotion Center, University of California Irvine; Irvine, California
- 1987-1992 Occupational Health Consultant, Health Science Associates, Los Alamitos, California
- 1985-1987 Occupational Safety and Health Coordinator, Laura Scudders Incorporated, Anaheim, California
- 1985 Industrial Hygiene Technician, Allergan Pharmaceuticals, Irvine, California

PROFESSIONAL EXPERIENCE AND SELECTED ACCOMPLISHMENTS

Provost and Vice President for Academic Affairs

CALIFORNIA STATE UNIVERSITY, SAN BERNARDINO

2016-present

Cal State San Bernardino (CSUSB) aspires to be a model for transforming lives. The student population is over 20,000 with most (88%) of the students coming from San Bernardino and Riverside Counties. Eighty percent of the students are first generation, and 63% are pell grant recipients. First-to-second year retention rates are third highest among all 23 CSU campuses. CSUSB reflects the dynamic diversity of the region and has the most diverse student population of any university in the Inland Empire, and it has the second highest African American and Hispanic enrollments of all public universities in California. The university offers more than 70 traditional baccalaureate and master's degree programs, education credential and certificate programs, and a doctoral program.

Primary Responsibilities

- Oversees the following academic units: Academic Programs, Academic Personnel, Academic Research, Graduate Studies, Undergraduate Studies, University Library, Palm Desert Campus, Teaching Resource Center, Office of Community Engagement, College of Arts and Letters, Jack H. Brown College of Business and Public Administration, College of Education, College of Social and Behavioral Sciences, and College of Natural Sciences
- Heads the Council of Deans, Provost Cabinet meetings, and Academic Affairs Council meetings. Co-Chairs Information Technology Governance, Enrollment Management, University Budget Advisory Committee, Graduation Initiative 2025, High Impact Practices Committee, African American Student Recruitment and Retention Task Force, and Committee on Collegiality and Respect
- Serves as executive in charge in absence of the President. Makes decisions in emergency or time-sensitive situations involving faculty, staff and students in regards to safety and security. Member of the Administrative Action Team (Emergency Preparedness Task Force)
- Serves as campus deputy for program performance reviews and oversees accreditation visits/efforts
- Responsible for quarter to semester conversion process

Accomplishments:

Utilized technology to assess degree completion, developed campaigns and other policies and procedures to increase graduation rates. Since 2016 we increased four year graduation rate by 7%, increased 2 year transfer rate by 10% and increased completion of general education by 8%.

Worked with the Office of Diversity and Inclusion, Deans, and Chairs to increase diversity of faculty. Developed new search strategies, conducted chair and search committee trainings, certified candidate pools, increased awareness. Of the 28 new faculty hires in 2017-18, 30% are of Latino/a background and 44% come from underrepresented backgrounds.

Basic Needs Initiative: Supported students with 1500 bags of groceries, 1250 individual meals, and 250 hygiene kits. Also developed a faculty campaign and provided 260 hygiene and food bags to the San Bernardino community for those experiencing food insecurity. Created the Affordable Learning Solutions Initiative to provide free/low-cost textbook options to our students. Our students saved over \$950,000 utilizing open educational and other reduced cost course materials.

Increased morale on campus. Worked with the committee on collegiality and respect to develop strategies to improve climate. Brought in a national expert, developed a “Collegiality Matters” campaign, brought in facilitators to help departments through issues, started the untenured faculty organization, and developed campus policies to promote campus well-being. Developed the Faculty Center for Excellence: A one-stop shop for faculty training and development. Provided professional development funds for faculty to present at conferences. Recognized faculty at athletic events, through newsletters and campus presentations.

Deputy Provost and Associate Vice President for Academic Affairs

CALIFORNIA STATE UNIVERSITY, FULLERTON

2014-2016

Cal State Fullerton aims to be a model public comprehensive university, nationally recognized for exceptional programs that prepare our diverse student body of 38,000 for academic and professional success. Its primary goals include increasing graduation rates and reducing time to degree, and closing the achievement gap. Accredited by the Western Association of Schools and Colleges, CSUF is fourth in the nation for the number of bachelor’s degrees awarded to minority students and first in California for the number of bachelor’s degrees awarded to Hispanics.

Primary Responsibilities

- Oversaw the following academic units: Enrollment Services; Academic Operations and Finance; Institutional Research and Analytical Studies; Research, Creative Activities and Technology Transfer; University Library; Faculty Affairs and Records; Faculty Development Center; Online Education and Training; Satellite Campus Operations and Initiatives; Center for Excellence in Supplemental Instruction
- Met and collaborated with legislative staff of elected officials and CSUF Government Relations to share and promote the university’s successes; plus, draft proposals, identify services, develop symposiums of special interest
- Oversaw faculty hiring and retention, and search processes to ensure an equitable and diverse group of candidates. Oversaw new faculty orientations and monitors retention, tenure and promotion process. Evaluated data on tenure-track density ratios and lecturer teaching
- Supported student success efforts in the university’s eight colleges, including: recognizing courses that may delay time-to-degree; high failure rate classes and providing mechanisms to ensure student success (supplemental instruction, flipped classrooms, peer mentoring); and guided/worked with associate deans, advisors and academic programs to streamline students’ path to graduation
- Executed the LOFT (Library of the Future) initiative with the university librarian to look at the university library’s future and how it will serve the next generation of students, researchers, faculty members and public-at-large. Worked with the university librarian and facilities to roll out library renovation project, deselection process, and library re-organization
- Served as campus deputy for program performance reviews and participated in accreditation visits/efforts. CSUF is accredited by 34 national professional organizations

Major Accomplishments

- Directs the on-campus efforts of the Bill and Melinda Gates Foundation-funded initiative, on which Cal State Fullerton is lead campus for the California State University (CSU) system. Over the past year, CSUF has been successful in implementing the High-Impact Practices (HIPs) component of its strategic plan’s second goal: “Improve student persistence, increase graduation rates University-wide, and narrow the achievement gap for underrepresented students” so that 75 percent of all students have participated in two HIPs by graduation. Based on this success, the CSU Chancellor’s Office has asked

CSUF to serve as faculty and staff mentors for colleagues at the system's sister campuses. Ongoing work on the grant includes HIP training, implementation and video, and evaluating the impact of HIPs using university learning outcomes, student feedback, student assessment and tracking in CMS

- Created Faculty Onboarding for Lecturers. More than one-half of CSUF's general education courses are taught by lecturers, who seldom feel part of the university. The onboarding program focuses on a faculty commons, live training, a resource fair, website development, a campus welcome video, faculty development center liaison, newsletter feature, service awards banquet, etc.
- Served as PI and member on the Diversity Action Plan team for the NSF-funded ADVANCE ("Increasing the Participation and Advancement of Women in Academic Science and Engineering Careers") grant to explore the inclusion, status and opportunities that the campus provided to female faculty members in the sciences, technology, engineering and mathematics-related fields. Developed an action plan focusing on equity, inclusion and civility. Provided STEM women leadership mentoring, facilitated presentations on diversity, oversaw the Faculty Development Center's Dining with Diversity series and creation of faculty learning community on diversity, and worked with Human Resources to ensure each search was diversified
- Led a high-level task force/committee of upper administration and faculty leaders charged with re-envisioning CSUF's satellite (Irvine) campus, located in the central/southern part of the county. Presented recommendations that included identifying the full range of programs and growth opportunities, and established operational and budgetary structures to support the growth and future of the campus

Interim Associate Vice President for Research, Creative Activities and Technology Transfer

CALIFORNIA STATE UNIVERSITY, FULLERTON

2013-2015

Led campus efforts to develop and strengthen capacity and productivity in transdisciplinary research, scholarship and creative activities across all disciplines in support of the university's strategic plan. Supported high-impact practices of student research and creative activities, and managed/coordinated the activities of the Office of Research Development (ORD), the Office of Grants and Contracts (OGC), and the Office of Research, Creative Activities and Technology Transfer (RCATT). Directed staff growth and development, budget management, policies and procedures development, and communication with other internal and external constituents across these three offices.

Major Accomplishments

- Hosted the Southern California Conference of Undergraduate Research (SCCUR). Theme: Illuminating Ideas. More than 1,500 students and 600 faculty mentors came from 100 different universities. Worked with SCCUR board and CSUF team to implement event. Over 760 abstracts were presented throughout campus
- Instituted and oversaw the university's inaugural Centers and Institutes Planning and Expansion Program. Aimed at financially supporting center and institute infrastructure, these grants are awarded to promote more effective and productive collaborative efforts; and thus, encourage faculty to pursue and ultimately, receive extramurally funded grants. All of which fosters scholarship and/or creative activities and advances CSUF's mission and strategic plan
- Funded the Health Promotion Research Institute to establish its' first-ever Research Mentor project. Pairs of faculty (mentor/mentee) participate in a grant-writing prospectus, mentor opportunities through research writing, data collection and analysis

Dean, College of Health and Human Development
Acting Dean, College of Health and Human Development
CALIFORNIA STATE UNIVERSITY FULLERTON

2010-2014

Led the College of Health and Human Development, comprising the departments of Child and Adolescent Studies, Counseling, Health Science, Human Services, Kinesiology and Social Work, as well as the college's School of Nursing and its Military Science Program. Provided strategic leadership for the college, developed and implemented short- and long-range plans in alignment with the university strategic plan, developed the student success center and oversaw work with 10 different accrediting bodies. The College hosts 10 Centers and Institutes, and has a diverse student body of nearly 6,000 undergraduates and 850-plus graduate students. Served to: (1) implement the College Strategic Plan; (2) budget oversight (approximately \$18 million in state funds and over \$5 million in several CSUF Philanthropic Foundation and Auxiliary accounts); (3) manage, supervise, support and motivate 55 staff, and 132 full-time and over 200 part-time faculty/lecturers; (4) serve as accreditation specialist working with accrediting bodies to ensure successful site visits and re-accreditations; and (5) contribute to the university's mission, goals, and strategic plan.

Major Accomplishments

- Oversaw the development of CSUF's Doctor of Nursing Practice degree program, a three-campus consortium effort that included developing budget models, curriculum and program planning and worked with Kaiser Permanente to secure funding for a simulation laboratory
- Developed, led and implemented a campus town hall forum to determine the most important health issues in Orange County. The hundreds of participants included representatives from the OC Health Care Agency, CHOC Unihealth Foundation, Latino Health Access, St Jude Medical Center and others, all collaborating to determine the highest health priorities in Orange County
- Serve on City Councilwoman Michele Martinez's task force on Healthy Lifestyles and the OC Health Care Agency Task Force on Obesity Prevention. The purposes of the two organizations is to promote healthy eating and physical activity in the City of Santa Ana and neighboring communities through environmental changes, education and advocacy

Professor and Chair, Department of Health Science
Professor, Division of Kinesiology and Health Science
Associate Professor of Health Science
CALIFORNIA STATE UNIVERSITY FULLERTON

2000-2010

During this tenure, the Department of Health Science became one of the fastest growing departments at CSUF in terms of FTES (from 300-plus to 600-plus). The department houses the Center for Cancer Disparities Research, Center for Healthy Lifestyles and Obesity Prevention, Fibromyalgia and Chronic Pain Center; and the Health Promotion Research Institute (HPRI). The HPRI and Centers generated \$13 million in extramural funds during the term as chair. Responsibilities as chair included: supervising 50-plus full- and part-time faculty and clerical staff; scheduling courses and rooms for 140-plus course sections per semester; hiring, evaluating and mentoring faculty and staff; managing multiple budgets (approximately \$2 million general fund and an average of \$2.5 million in foundation/auxiliary accounts) each year; coordinating the Kinesiology and Health Science office complex and other building facilities/laboratories; handling special petitions, complaints, waiver requests and student inquiries; conducting regular meetings with faculty, staff and student advisors to strategize on how to reduce any bottleneck courses and increase retention and graduation rates; collaborating with University Extended Education on various certificate programs; fundraising for department expansions; interacting with community partners;

teaching one graduate course/year; maintaining an active scholarly agenda; representing Health Science on various college and university committees; and engaging in community collaborations.

Major Accomplishments

- Developed, implemented and conducted a self-study on the Master of Public Health, which received full-accreditation by the Council on Education for Public Health
- Took over and repositioned the Californian Journal of Health Promotion to provide service opportunities to the faculty and community partners, as well as build and strengthen the prestige of the department.
- Served as Southwest District Research Health Education Vice President for the American Alliance for Health Physical Education Recreation and Dance. Planned the AAHPERD regional conference: evaluated presentation proposals and provided opportunities for networking at the conference

Assistant Professor, Department of Exercise Science and Physical Education

ARIZONA STATE UNIVERSITY

1999-2000

Taught courses in exercise and wellness; in particular, lifelong well-being and health and worksite health. Studied/taught ergonomics. Mentored graduate students

Assistant Adjunct Professor, School of Social Ecology

Research Staff Associate, University of California Irvine Health Promotion Center

UNIVERSITY OF CALIFORNIA IRVINE

1994-1999

Produced seminars and training materials for businesses/corporations on worksite health issues, including ergonomics, safety, blood-borne pathogens, workplace violence, healthy aging and health promotion. Supervised and facilitated field study internships in worksite health and safety.

Occupational Health Consultant

HEALTH SCIENCE ASSOCIATES

1987-1992

Performed general industrial hygiene consulting services for a variety of clients. Sampled for asbestos, organics, and metals. Evaluated and measured exhaust ventilation systems.

Occupational Safety and Health Coordinator

LAURA SCUDDERS, INC.

1985-1987

Developed and implemented programs/standards required by OSHA, including hazard communication, respiratory protection, hearing conservation, and emergency preparedness.

Industrial Hygiene Technician

ALLERGAN PHARMACEUTICALS

1985

Conducted general industrial hygiene services, including noise surveys, respirator fit testing, updating material safety data sheets, and laboratory hood ventilation surveys.

RESEARCH INTERESTS

- Contemporary Issues in Higher Education (High Impact Practices, Data Driven Decision Making)
 - Social Ecological Approaches to Obesity Prevention
 - Effectiveness of Health Promotion Programs in the Workplace
 - Healthy Aging, Chronic Pain Reduction Effects on Employment
 - Effects of Extremely Low Frequency Electromagnetic Fields on Human Health
 - Factors that Influence Environmental Risk Communication/Perception
-

GRANTS

External Award Funding total: >5,000,000

ADVANCE Adaptation: Diversity and Equity in Promotion, Tenure, and Hiring (DEPTH) for STEM Faculty, National Science Foundation, \$995,876, Fall 2018-Summer, 2021. (PI)

Chancellor's Office Diversity Initiative, California State University, \$125,000; Fall 2017-Spring 2019. (PI)

CSUSB Expansion of the Associates Degree for Transfer, College Futures Foundation, \$60,000, Fall 2017-Summer 2018. (Co-PI)

Health Careers Opportunities Program, Health Resources and Services Administration, \$1,765,618, Fall 2015-Fall 2018. (Co-PI)

CSUF ADVANCE IT-Catalyst Project, National Science Foundation, \$159,111, Fall 2012-Summer 2015. (Co -PI)

The California-Nevada Public Health Training Consortium, Health Resources and Service Administration, \$150,000, Spring 2010-Spring 2012. (Sub-Contractor)

An Interdisciplinary Approach to Prevent Childhood Obesity, from Infancy to Adults, Centers for Disease Control, \$190,000, Fall 2009- Fall 2010. (PI)

An Interdisciplinary Approach to Prevent Childhood Obesity, from Infancy to Adults, Centers for Disease Control, \$383,187, Fall 2008- Fall 2009. (PI)

The Health Promotion Research Institute, Unihealth Foundation, \$224,097, Spring 2008- Spring 2010. (PI)

An Interdisciplinary Approach to Prevent Childhood Obesity, Centers for Disease Control, \$386,000, Fall 2005- Fall 2006. (PI)

Self-Assessment Measures for Visual, Cognitive, and Motor Skills, Motorcycle Safety Foundation, \$10,000 Fall 2004-Spring 2005. (PI)

Awareness and Knowledge of Cardiovascular Risk Factors in College Students, State Special Fund for Research, Scholarship, and Creative Activity, California State University Fullerton, \$5164, Summer 2004. (PI)

Strategies Utilized to Minimize Musculoskeletal Discomfort Among University Personnel, State Special Fund for Research, Scholarship, and Creative Activity, California State University Fullerton, \$5164, Summer 2003. (PI)

A "Fat" Tax: Knowledge and Attitudes of Snack Food Taxing Among College Students, State Special Fund for Research, Scholarship, and Creative Activity, California State University Fullerton, \$4,835, Summer 2002. (PI)

Computer Use, Education, and Health Among College Students, State Special Fund for Research, Scholarship, and Creative Activity, California State University Fullerton, \$4,667, Summer 2001. (PI)

Alternative Therapy Use Among the Young-Old (ages 65-74), California State University Fullerton, Course Release, Spring 2001. (PI)

Healthy Aging in the Workplace and Community, ASU/Motorola Great Communities Grant Program, Arizona State University, \$8,000, Fall 1999-Spring 2000. (PI)

Aging, Work & Health: An Evaluation of the National Survey of Midlife Development in the U.S., Faculty Grant in Aid Program, Arizona State University, \$7,000, Fall 1999-Spring 2000. (PI)

Health and Work: The Status of Healthy Aging in California, The Institute for Health Policy Studies, University of California, San Francisco, \$5,000, Spring 1999. (PI)

Development, Delivery, and Evaluation of Model Worksite Health Promotion Programs for Small Businesses in California, California Wellness Foundation, \$800,000, 1996-1999 (Co-PI)

Developing and Evaluating a Model Program for Enhancing Corporate Compliance with SB198: California's Injury and Illness Prevention Act, California Wellness Foundation, \$198,923, 1992-1995. (Project Director, Co-PI)

HONORS AND APPOINTMENTS/PROFESSIONAL SERVICE

Member, Student Mental Health Advisory Committee, California State University System, 2018- present
 Board of Directors, No Limits Learning Center, 2013-present
 Task Force Member, Urban Serving Universities Task Force on Cultural Competency of Institutions, 2013
 Associate Editor, Californian Journal of Health Promotion, 2009-2016
 Health Education Vice President, Southwest District of the American Alliance for Health, Physical Education, Recreation, and Dance, 2008-2009
 Reviewer, American Journal of Health Behavior, 2006-2009
 Recipient, Distinguished Faculty Marshal, College of HHD, 2005
 Recipient, Outstanding Faculty Recognition for Teaching at the University, 2005
 Member, Nominations Committee, American Association of Health Education, 2004-2006

Member, National Fibromyalgia Association Epidemiological Task Force, 2005

Reviewer, Research Grant titled, "Piloting Health Promotion and Health Protection in the Workplace: The Case for Small Employers" Southern California Education and Research Center, 2005

Research Vice President, Southwest District of the American Alliance for Health, Physical Education, Recreation, and Dance, 2004-2006

Recipient, Outstanding Faculty Recognition for Scholarship to the University, 2004

Recipient, Outstanding Faculty Recognition for Service to the University, 2003

Member, Scholarship Committee, American Association of Health Education, 2003-2004

Recipient, University Advancement Proposal Writing Award, 2002

Reviewer, American Journal of Health Promotion, 2000-2013

Health Education Vice President, Southwest District of the American Alliance for Health, Physical Education, Recreation, and Dance, 2000-2002

Member, American Academy of Health Education Nominations Committee, 2000-2006

Reviewer, Book entitled, "A Life Worth Living: Practical Strategies for Reducing Depression in Older Adults" for the *Journal of Aging and Physical Activity*, 2000

Reviewer, American Journal of Health Studies, 2003-2008

Special Advisor, Governor's Council on Physical Fitness and Sports, 1998-1999

Chairman, Committee on Non-Ionizing Radiation, American Industrial Hygiene Association, 1997-1999

Member, Centers for Disease Control (CDC) Task Force on *Policy and Environmental Actions to Promote Physical Activity*, 1997

Reviewer, Manuscript entitled, "Manual for Measuring Occupational Electric and Magnetic Field Exposures", a NIOSH technical report, 1997

Reviewer, Book Chapter entitled, "Healthy Environment, Healthy Community: Promoting Community Health in the United States Through Effective Environmental Protection, Regulation and Education" in *Promoting Human Wellness: New Frontiers for Research, Policy and Practice*, 1997

Member, Sigma Xi, The Scientific Research Society, 1996-2000

Member, Standards Coordinating Committee 28, Sub-Committee 2 on Electromagnetic Fields, American National Standards Institute (ANSI), 1996-1997

Instructor, *Electromagnetic Fields: The Controversy*, Orange County Science, Technology, and Society Network, 1996

Vice Chairman, Committee on Non-Ionizing Radiation, American Industrial Hygiene Association, 1994-1996

Member, Advisory Board Council, Choices Program, Irvine Medical Center, 1995

Co-Author and Technical Editor, for Educational Videos on Ergonomics through Choices Program, Irvine Medical Center, 1995

Member, National Institute for Occupational Safety and Health (NIOSH) and Department of Energy, Task force on *EMF Exposure Assessment and Epidemiology: Hypotheses, Metrics, and Measurements*, 1994

Member, Advisory Board Council, Occupational Health and Safety Certificate Program, University of California Irvine, 1994

Keynote Speaker, Health Net Corporation's Breakfast Seminar Series, *Integration of Worksite Wellness Programs with Cal-OSHA Safety Requirements*, 1993

Instructor, *Extremely Low Frequency Electric and Magnetic Field Fundamentals*, American Industrial Hygiene Association Conference, 1992-1999

Instructor, *Non-Ionizing Radiation Measurement*, American Industrial Hygiene Association Conference, 1991-1999

Secretary and Treasurer, American Industrial Hygiene Association, Orange County, 1990-1992

Awarded Appointment, University Committee on Research Policy, UCI, 1990

Member, NHLBI, task force on *Work Environments and Cardiovascular Disease*, 1989

CALIFORNIA STATE UNIVERSITY, FULLERTON SERVICE

Co-Chair, Academic master plan sub-committee on faculty and pedagogy, 2015- 2016
Member, Climate Committee responsible for implementation of University Diversity action plan, 2015-2016
Co-Chair, High Impact Practices Task force and Steering Committee, 2014-2016
Member, WASC Interim Task Force Committee, 2014-2016
Chair, Search Committee, Dean, College of Natural Sciences and Mathematics, 2013
Member, Strategic Plan Task Force- High Impact Practices, 2013-2016
Member, Strategic Plan Task Force- Development Task Force, 2013-2016
Member, Search Committee, V.P. University Advancement, 2012
Member, Instructionally Related Activities Committee, 2010-2011
Member, University Advancement Committee, 2010-2011
Chair, Academic Affairs/Academic Senate Committee Joint Task Force – Faculty Retention and Success, 2010
Chair, Ad Hoc Committee on School of Nursing Proposal, 2009-2010
Member, Professional Leaves Committee, 2009-2011
Member, WASC Sub- Committee on Student Research, 2009-2010
Secretary, Academic Senate, 2009-2010
Vice Chair, General Education Committee, 2008-2009
Member, Academic Senate, 2008-2010
Participant, University Leadership Institute (Inaugural class), 2008-2009
Member, Search Committee, Associate Dean, College of Health and Human Development, 2008
Member, Search Committee, Chair, Department of Nursing, 2008
Project Coordinator, Public Health, US AID TIES grant, 2006-2008
Academic Senate Representative, College of Health and Human Development, 2007-2008
Member, General Education Committee, 2007-2008
Director, Center for the Promotion of Healthy Lifestyles and Obesity Prevention, 2005-2008
Member, Environmental Studies Program Advisory Committee, 2002-2008
Member, Gerontology Program Council, 2000-2008
Member, Search Committee, MSW Director, 2006-2007
Advisor, Eta Sigma Gamma, Health Science Student Honorary, 2004-2006
Associate Director of Graduate Studies, 2004-2005
Chair, Graduate Education Committee, 2005-2006
Member, Masters of Social Work feasibility Task Force, 2005
Coordinator, Health Science Program, Division of Kinesiology and Health Science, 2002-2005
Member, Personnel Committee, Division of Kinesiology and Health Science, 2004-2005
Chair, Search Committee, Division of Kinesiology and Health Science, 2004-2005
Member, Search Committee, Division of Kinesiology and Health Science, 2003-2004
Co-Chair, College of Human Development and Community Service Curriculum Committee, 2003
Kinesiology and Health Promotion Division Representative, Information Literacy Competency Program, 2002-2005
Kinesiology and Health Promotion Division Representative, Institutional Review Board, 2003
Member, Graduate Education Committee, 2003-2005
Chair, Masters of Public Health Advisory Committee, 2002-2006
Member, College of Human Development & Community Service Curriculum Committee, 2002-2003
Member, Physical Activity Program Council, Division of Kinesiology and Health Promotion, 2002-2003
Member, University Mentor Program, 2000-2002

CALIFORNIA STATE UNIVERSITY SAN BERNARDINO (SELECTED ACTIVITIES)

Co-Chair African American Student Recruitment and Retention Task Force 2017-present
Co-Chair Graduation Initiative 2025 Task Force 2016- present
Co-Chair University Budget Advisory Committee 2016-present
Co-Chair High Impact Practices Task Force 2017-present
Co-Chair Information Technology Governance Committee 2016-present
Co-Chair Collegiality Committee 2017-present

PROFESSIONAL DEVELOPMENT

AGB Institute for Leadership and Governance in Higher Education (Inaugural class) 2019
