

Notes:

**Important Due Date: Feb. 1, 2024**

---

- Fall admission priority deadline
- EWU scholarship deadline
- Financial aid priority deadline

**Why does the “priority deadline” matter?**

When you complete your admissions application and FAFSA or WASFA by the priority application deadline, you have financial aid and registration priority over students who apply after the deadline. This is a pretty big deal if you plan on receiving grants, work study and other forms of financial aid.

Apply early! [ewu.edu/apply](http://ewu.edu/apply)

## College Assistance Migrant Program (C.A.M.P.) Presentation

---

The College Assistance Migrant Program is a federally funded program designed to support students from migrant and seasonal farm worker backgrounds during their first year of college. The program provides students with financial assistance and support services with the goal of preparing them to continue their education at a four-year college or university.
